WESTERN VARIETIES

We are introducing eight new Western varieties which will be available for early summer delivery. Plants \$2.00, leaves 50¢, rooted cuttings \$1.00.

- AUREOLE - White flowers with bright red-lavender markings becoming heavier at the tips of petals. A good bloomer and it is outstanding in any collection.
- SNOWBALL - Large, double white flowers. Foliage similar to Snow Prince.
- WISP O' PINK - A very light lavender double, with pale pinkish cast to many of the petals. Medium to large, dark green leaves, reddish underneath. It truly fits its name.
- WISP O' BLUE - A light blue double, similar in growth and foliage to WISP O' PINK.
- LADY JEAN - (Rector) Medium light green oval leaves, flowers, red violet, almost rose colored. Very prolific bloomer.
- SHOW QUEEN - (Rector) Large, light green girl leaves, medium blue flowers held well above the foliage. A real show plant.
- PACIFIC SUNSET - (Rector) Dark violet red flowers of uniform shade, large dark olive green leaves, narrow ovate in shape with long petioles. Makes an attractive specimen plant.
- BRIGHT REGENT - (Rector) A miniature, rather flat growth. Small, round, very shiny girl leaves. Red lavender flower.
